(Please read and initial)

_____ I understand charges commence when meter is installed and property owner shall be charged a minimum fee whether there is usage or not.

_____ Water service line to be installed by the Town includes a pipeline from the main to a convenient point at the street right-of way at which point the Town will install a curb stop, meter and meter box. All piping from the meter to the building will be the responsibility of the customer. All customers are responsible for installing a cut-off at the meter on the customer's side of the meter. Additionally, a repairable and testable backflow preventer must be installed and inspected annually. No other source of water shall be connected to this line.

Property Owner/Agent/Renter
