Age My Way NC Survey – We Want to hear from you.

# AGE MY WAY NC SURVEY

Age My Way NC is asking people 45 and older to offer their thoughts on priorities for their communities, including safe and walkable streets, age-friendly housing, and transportation options; access to needed services; open spaces and parks; and opportunities for all residents whether they be in rural or urban areas to participate in community life.

## WHY TAKE IT?

Soon one in five North Carolinians will be over 65. There will be more older adults than younger adults for the first time ever. Taking the time to complete the Age My Way NC Survey will help policymakers to understand your needs and focus on projects that can make our communities livable for people of all ages. **Click the box below to take the survey!**
