# Paid Parking

---

At the March 9th Board of Commissioners meeting, Commissioners voted unanimously to implement paid parking ONLY for the South End parking lot (between Shore Line Dr and Inlet Dr.) from March 1st through October 31st (starting on **Friday, April 8th in 2022**) annually and will be enforced from 9:00AM to 5:00PM daily with free parking before and after that time. Cost for parking will be \$5.00/hr with a \$25 maximum daily rate. All parking permits will use license plates for verification and enforcement personnel will scan them multiple times a day to confirm a valid parking permit, and issue parking citations to those who have not paid for their parking.

Topsail Beach will use the “SurfCAST by Otto Connect” parking solution. This is a mobile app downloadable for Apple (“App Store”) and Android (“Google Play”) mobile devices. Users will setup their account, enter their license plate details, and pay for parking directly on the app.
