Holiday Schedule

As a reminder, Town Offices will be closed on Monday, July 4th, in honor of the Independence Day holiday. Although Town Offices will be closed, Trash pickup will continue as scheduled on Monday, July 4th.

We hope everyone will have a safe and fun holiday!

A Warm Welcome

Please help us in extending a warm welcome to our new Town Manager, Doug Shipley! Mr. Shipley's first day will be Tuesday, July 5th following our previous Town Manager Mike Rose's retirement.

Mr. Shipley comes to us from Pender County where he served as an Assistant County Manager. We are excited to have him join the team and hope you'll join us in welcoming him to Topsail Beach!

Water Restrictions

Mandatory Topsail Beach Watering Schedule

The Following watering schedule is for irrigation systems that are connected to the Town water system and is in effect from May 27 – September 30 each year:

All property owners NORTH OF DAVIS AVE can irrigate during the hours of 2 A.M. and 4 A.M. on Monday, Wednesday and Friday only.

All property owners SOUTH OF DAVIS AVE can irrigate during the hours of 2 A.M. and 4 A.M. on Tuesday, Thursday and Saturday only.

All in-ground irrigation systems using Town water must have rainfall cut off sensors installed, or must be manually shut off to prevent watering during active rainfall within any assigned irrigation time and day.

Manual Watering with Town water for owners without in-ground irrigation systems is restricted to two (2) hours per day using the same addressing system described above. Any manual watering must take place between the hours of 5 A.M. and 10 A.M. during these assigned days.

It is recognized that many homeowners without irrigation systems are unable to water during the week because they are only here on weekends. Thus, manual watering for two (2) hours on Saturday or Sunday is permitted between the hours of 5 A.M. and 10 A.M.

There will be NO watering for the period between July 2-8.

Bulk Item Pick Up Reminders

During the Summer months, the Bulk Item Pick Up days are the **first and third Fridays of the month**. Vegetative debris and large household goods are collected - this includes electronics and e-waste, appliances, furniture, mattresses and yard waste.

Construction debris/material **WILL NOT** be picked up in bulk item collection. Visit the [Town's Water and Garbage Service page](#) for more information.

PAST EVENT PHOTOS

Check out some pictures below from recent Town events, including the Memorial Day Wreath Hanging Ceremony, June's Beach Sweep, the first two Topsail Sounds Concerts, and Mike Rose's Retirement Celebration!
